

# 2022 UN Guiding Principles Reporting Framework index

The UN Guiding Principles on Business and Human Rights (UNGPs) highlight that companies have an ongoing responsibility to respect human rights and to conduct due diligence to identify, assess, and remedy the impacts that their activities may have on people. Stora Enso is committed to the UNGPs.

Based on the requirements of the UNGPs, the UN Guiding Principles Reporting Framework is a comprehensive guidance for companies to report on their targets, processes, and performance regarding human rights. Stora Enso strives to align its human rights reporting with this framework.
