

# Clio

by Stora Enso

**Clio** is a fast and reliable paper for high volume and high speed black and white office printing and copying. Thanks to its great runnability, it is well suited for businesses that print and photocopy black and white documents in large quantities.

**PRODUCER**  
Veitsiluoto Mill

## ENVIRONMENT

Renewable fibre  
Recyclable paper  
Recyclable packaging materials

## STORAGE AND HANDLING

- Store the paper in a humidity and temperature controlled area at 50% relative humidity and room temperature between 19°C and 23°C.
- If the paper is stored in non-air conditioned warehouse, it is absolutely necessary to allow a stabilisation period in the print room.
- Open the protective wrapping at the moment of use.
